SPONSORSHIP OPPORTUNITIES

The U.S.-Mexico Border Mayors Association will convene its 8th binational summit on Sept. 20-22 in San Antonio, Texas, and is being organized by the Center for U.S.-Mexican Studies at the UC San Diego School of Global Policy and Strategy.

Border cities in Mexico and the U.S. are closely linked by a common economy, environment and shared community. This is an important time for our region to come together to illustrate the dynamic economic opportunities of the cross-border economy to those in our federal capitols. Binational collaboration through trade, infrastructure and open dialogue has the potential to benefit millions of people on both sides of the border, significantly boosting the economies of both countries

Your support for the association and this important event will facilitate cross-border dialogue and their unified effort to improve the quality of life in all border communities. Sponsorship of this special opportunity will highlight your brand and your support for the local leaders advocating for economic and social advancement in the border region.
